

**Readington Recreation
Travel Basketball Program
Rules & Regulations**
(edited 2018)

The Travel Basketball program is part of the Readington Township Recreation Department.

PROGRAM OBJECTIVE

The Readington Township Travel Basketball program mission is to provide a wholesome and safe environment for the higher caliber basketball player to compete with like players of the same ability from other towns.

PROGRAM OVERSIGHT

The Readington Township Recreation Committee will oversee the Travel Basketball program with updates from the Recreation Director and the assigned liaison to the program.

The Travel Basketball Liaison is a member of the Recreation Committee who is directly responsible for ensuring the program is run in accordance with the established policies and procedures outlined in this document. The liaison will bring any issue he/she is made aware of to the attention of the Recreation Director and the Recreation Committee as soon as possible. The Recreation Department is responsible for implementing the travel basketball policies and procedures and will be the first line of contact for coaches during the season. The liaison may, at the request of the Recreation Department, be actively involved in resolving issues that arise.

The Recreation Department is responsible for making sure all needs for the program are addressed. This may include uniforms, equipment, league/tournament payments and facility usage. Township employees and/or volunteers may assist in this endeavor.

LEAGUE AND TOURNAMENT PARTICIPATION

Travel basketball teams will play against other towns in regional leagues. Teams may play in a maximum of two leagues.

Readington Travel Basketball hosts the Holiday Tournament December 27-30 each year. Team parents are required to work at this tournament. This is a significant fundraiser for the Readington Travel Basketball program and subsidizes the cost of play in the program.

Teams may elect to play in other tournaments as well.
