Readington Recreation

Thank you to all the Readington Residents who have been helping us keep our parks open and safe for all to enjoy by implementing health and safety practices.

Readington Recreation programs and activities will continue to follow CDC & NJ State and County Health Department Guidelines. Please continue to social distance, wear a face covering, avoid contact, wash your hands, and stay home if you are ill. We had a fantastic summer and are looking forward to fall.

Indoor recreational opportunities will remain limited this fall. Please note the Readington Board of Education is not allowing any indoor use of school facilities until further notice. As a result, Readington Recreation will only be offering fall programs in Readington parks this fall.

We encourage residents to get outside and enjoy Readington's beautiful parks and participate in outdoor programs while the weather is good.
