

Readington Recreation

Background Check Information for Volunteer Coaches

Results are good for 5 years.

In order to coach a Readington Recreation team you must pass a background check.

This is done through the NJ State Police fingerprinting.

There is a small fee for this service. If you send us your receipt you will be reimbursed.

STEP 1

Go to: <https://uenroll.identogo.com/workflows/2F1J3Y>

STEP 2:

Click on Schedule/Manage an Appointment

STEP 3:

Complete all information and continue to select NEXT.

At the end you will select a location, date and time.

The nearest location is in Annandale but you may want to select a location close to your place of employment or wherever else is convenient..

You will need a face covering to be allowed into the facility at the moment.

The results of your background check will be available to Readington Recreation only.

IMPORTANT!

In order to complete your online registration for an appointment you will need the contributor's case # for Readington Recreation.

That number is K02001
