Readington Recreation

Thank you to all the Readington Residents who have been helping us keep our parks open and safe for all to enjoy by implementing health and safety practices.

Readington Recreation programs and activities will continue to follow CDC & NJ State and County Health Department Guidelines. We will continue to add new programs as the CDC and State guidelines change. Like us on Facebook and Instagram to get the latest updates.

The Readington Board of Education has not made a decision at this time about indoor use of school facilities in the fall. Readington Recreation is prepared to resume indoor activities as soon as the Board of Education allows us to use the school facilities. Stay tuned!

We encourage residents to get outside and enjoy Readington's beautiful parks and participate in outdoor programs while the weather is good.

Make it a fabulous fall!

COME OUTSIDE & PLAY!

The curriculum of this class is devised to offer students with some previous instruction a structured but open and supportive environment in which to create. Students work from a variety of studio assignments which can include independent projects of their own design and landscape painting from this scenic farm location. Each student will be encouraged to explore academic as well as more expressionistic and abstract options via group and individual critiques and illustrated lectures referencing the history of painting. Open to pastel, oil, watercolor, and acrylic painters with some experience. Masks and social distancing will be required and all studio equipment will be sanitized daily.

Drawing & Painting

Date: Fridays, 9/17 -10/22

Time: 9:00am-Noon

Location: Dobosynski Cottage

Cost: \$160 **Instructor:** Charles David Viera

Landscape painters through history were all inspired by the colors offered by working "Plein Air" from the early morning light. In this class, artists of all levels will get to experience what those artists enjoyed with a supportive and inspired instructor to assist them. Working on location at various picturesque sites at our Dobosynski Farm, students will be encouraged to improve their skills via beginner and advanced instruction in drawing, composition, color theory and the proper use of materials through group and individual critiques, demonstrations, and historical references. Experienced students should bring their favorite medium while beginners should bring drawing materials to the first class, where color materials will be discussed.
